**NPIC/TSSG/DED-1670-69**

**MEMORANDUM FOR:** Chief, Contracting & Procurement Staff, NPIC

**SUBJECT :** FY-1970 Miscellaneous Services Contract with [REDACTED]

1. It is requested that a Time and Materials contract for "Research Effort in Support of the High Precision Stereo Comparator" be negotiated with [REDACTED] from FY-1970 Miscellaneous Services Funds. The support to be furnished under this contract will be in breadboarding calibration procedures and devices capable of evaluating high performance measuring systems.

2. This research effort in calibration procedures will be primarily directed toward the measuring system incorporated into the High Precision Stereo Comparator.

3. The period of performance under this contract should commence as soon as possible and should be completed during FY-1970.

[REDACTED]  
Chief, Technical Services & Support Group,  
NPIC
